RIGHT REVEREND WALTER H. GILL

A school without religious training is like a home without a mother. Because of your efforts, Monsignor, we have had the advantages of a Catholic education at St. Patrick High School. In gratitude, we wish to dedicate this edition of the PATRICIAN to you on the occasion of your eightieth birthday anniversary. May God continue to bless you for many years to come.

Joint Dedication

We wish to include in the dedication Father Kenney, Father Riley, and Father Langley. They have given generously of their time and talent that we might convert our days at St. Patrick into currency for Eternity.
